ALEXANDRIA VOLUNTEER FIRE DEPARTMENT

Officers for the Alexandria Volunteer Fire Department were elected January 5, 1965 and installed January 30, 1965.

First Commissioner	Albert Wilson
Second Commissioner	Leo Corliss
Chief	Arthur Costin
First Lieutenant	James Dunn
Second Lieutenant	John Pyne

There are twenty-nine firemen.

The men of the Department responded to six fires with a total of 80 man hours. The fire truck responded to two of these fires.

The Ladies' Auxiliary was instrumental in raising money for equipping the fire truck.

A good attendance was shown at all training programs and drills. Some men completed advance courses in fire fighting.

The cement block fire station was completed inside and out, including the installation of an oil furnace.

A red phone was installed so that only one number (744-2217) has to be called, day or night, to have the fire department respond.

ARTHUR COSTIN, *Chief*

FOREST FIRE WARDEN'S REPORT

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

We Must All Be Careful:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish or brush;
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 p.m.
 - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

Fire Record For 1965:

State	887 fires	1,255 acres
District	84 fires	71.8 acres
Town	2 fires	.25 acres
